Welcome

Welcome to Byblos Homes, Lebanon's premier homebuilder.

For over 40 years, Byblos Homes has designed and built new homes with you in mind. Whether an apartment, townhome or single family house, each new home is built with a commitment to quality, comfort and affordability.

We stand behind every house we build, while implementing the Uniform Construction Standards (UCS), we strictly adhere to the highest standards, rigorous safety and material inspections. Furthermore, Byblos Homes is actively pursuing the ISO 9001 Quality Certification.

Striving to innovate and deliver superior homes, we continuously research the latest technologies, from home automation to energy efficient applications in your home, our pledge to a better living and green environment.

Committed to providing luxurious and affordable housing, with little down payment. We strictly enforce equal housing opportunity for all, forbidding any discrimination in the sale of housing, based on race, age, color, religion, sex, handicap, familial status, or national origin.

We take homebuilding seriously, mindful that a house is perhaps the biggest and most important investment you'll ever make. Every home is backed by the Byblos Homes Protection Plan: a first-in-the-nation 1-year limited warranty on all new home purchases.

Our goal is to Build you a Home, a Home for Life™.

Located minutes north of Byblos, the city of Amchit offers natural beauty with its pristine waters, spectacular views and a laid back lifestyle. The region offers unique cultural, sports and artistic attractions. Amchit features a neighborly atmospheres while minutes away from the ancient ruins of Byblos with plenty of historic cobblestone streets and monuments to explore. Numerous beaches and shops provide diverse recreation for the whole family.

Shopping

Byblos features a variety of shopping areas ranging from local shops to supermarkets. The revitalized Byblos downtown district in the main square is lively with all kinds of treasures throughout the pedestrian cobblestone marketplace.

Medical

Exceptional medical facilities in the area include renowned full service hospital Our Lady of Relief, as well as other notable hospitals Notre Dame - Maritime and Kadaeen. Numerous health clinics, general practitioners and specialized physicians have established medical offices throughout the area.

Culture and History

Home to the Byblos International Festival, the world's most continuously inhabited area has ancient monuments and ruins reflecting over 7000 years of human history. Listed on UNESCO's world heritage site, Byblos is enriched in history with Phoenician ruins, castles from the medieval times, the world's oldest port, cobblestone market square and churches from times of the Crusades.

Recreation

Enjoy some of the nation's greatest beaches. Picturesque views, crystal clear water and isolated cliffs. Minutes from world renowned Edde Sands beach resort as well as many secluded sea access points. Enjoy the Mediterranean sea, go for a swim or snorkel, explore the underwater caves where fresh water pierces the sea. Hike trails, traverse cliffs or camp at one of Lebanon's only campsites Les Coulombes. Amchit has ample activity for you and your family.

Schools

The Amchit, Byblos area has quite an array of school to choose from, dozens of international elementary, mid and high schools. Home to New York State recognized and acclaimed Lebanese American University.

Dining

The town features great restaurant and fish markets. Rejoice the Lebanese, European and American cuisine throughout the city. Enjoy an evening out of town in old Byblos, where clusters of bars, pubs and restaurant are sealed off from road traffic. Visit the old Byblos port for a traditional experience and exquisite views.

Buying a home is one of the biggest investment you'll ever make - finding the right home loan is crucial. Banks tailor to a variety of homeowners, from military to expats. Mortgage products vary in terms, interest and down payment, from as little as 0% down to a more traditional 20 to 35% down.

There are a number of factors to consider when seeking a mortgage, including: interest, term, down payment, government programs, as well as a number of other factors (i.e. service men and/or first time home buyers may qualify for up to 100% financing).

Whether you're planning to pay off your mortgage within a few years or in the long term; if you have limited credit or require additional financing, there is an assortment of banks and mortgage products to choose from, below is a partial list of qualified banks:

Founded in 1971, Byblos Homes is a family owned and operated real estate development company, specialized in developing customized, high quality and affordable housing.

Our team is our family, we take great pride in the work we do, from foundation to finishing. With over 40 years of real estate experience and over 200 satisfied homeowners, you can rest assured that your home is built right.

Just like Byblos is the oldest continuously inhabited city on earth, we'd like to think your home should be - continuously inhabited by you. We want to build your Home for life™.

Our Core Values

Since its foundation, Byblos Homes has been governed by its core values. They structure the principles and elevate the standards by which we abide. They dictate how we perform and make decisions, further ensuring that we always do what is right. That spirit, is the foundation of our organization, transcending from father to son, manager to employee, peer to peer and builder to homeowner.

These values form the six pillars of Byblos Homes:

Stewardship

To lead, to respect the individual and care for our surroundings

Innovation

To create, innovate and contribute better technologies

Integrity

To be truthful, ethical and deliver on commitments

Timeliness

To deliver in a timely manner and respect deadlines

Responsibility

To act responsibly, accountable to our peers and clients

Eco-friendliness

To protect the environment for future generations
